

To Whom It May Concern,

I respectfully urge the FCC to reject the NAB's petition 04-160. I am a paying XM customer who finds their unique service invaluable, and totally lawful. I pay for cable T.V. to enjoy the premium services not offered by broadcast networks, and dearly hope I can continue to do the same with XM. Please don't allow special interest lobbying to inhibit this country from staying on the forerfront of innovation and technology that enrich our lives.

Thank You,

David Cooper
